Personal Life:

My name is Alexandre DI LORENZO.
I was born in Montpellier on the 31st October 2002.
I spent my early years between France and Morocco.
During summers, I lived with my father's side grandparents and cousins in Mirleft, a town in the south of Morocco. There, I learned to surf, fish, and appreciate the beauty of nature, especially the ocean.
I was considered a keen child by society, born into a non-religious family, and showed precociousness and curiosity.
Physically, I have brown hair, brown eyes, and stand at 5ft8 (176cm).
My mother is Marie-Pierre René SAUVE, and my father is Norbert DI LORENZO.
I have a younger brother named Victor, who is 16 and involved in MMA and tennis, and a 23-year-old sister, Carla.

Sport:

Throughout my life, I've been involved in various sports. In my childhood, I practiced combat sports and played tennis.
Currently, my sports activities mainly consist of home workouts and playing football. I have plans to engage in more sports in the future.
My brother Victor is also quite sporty, with a focus on MMA and tennis.

Studies:

Academically, I advanced quickly, entering high school at 13 and graduating at 16.
I attended Lycée La Merci in Montpellier and later went to preparatory class at Lycée Joffre in Montpellier.
I gained admission to Mines Telecom Saint Etienne, an engineering school, where I specialized in computer vision, machine learning, and AI.
I then went to Taiwan

Project:

My primary life goal is to pursue a career in AI, possibly in the field of medicine.
I also aspire to work in Asia, a continent I'm passionate about due to my proficiency in Chinese.

Skills:

I am fluent in French, possess a C1 level in English, and have a working knowledge of Chinese at HSK2/HSK3 level.
